

PINNACLE CLUB MEETS PROGRAMME 2019/20

This meets list is likely to be changed so please check for updates periodically. If you are a prospective member or interested in joining, please always contact the membership before coming on a meet. As a womens climbing club, the general arrangement for meets is that they are women only. Where this is not the case, the meet information below will state that it is mixed. Usually the meet coordinator will give more detailed information about their forthcoming meet in advance.
